4. Eligibility Criteria

- Bidder shall be a registered Company / Firm / LLP / MSME with minimum 3 years of operations.
- Average annual turnover during the last three financial years shall be at least Rs. 30 lakh.
- Valid PAN, GST and applicable statutory registrations shall be submitted.
- Bidder shall have a Branch / Head / Regional Office in Andhra Pradesh with adequate technical support staff.
- Bidder shall be an authorized partner/dealer of the quoted OEM and shall submit valid Manufacturer Authorization Form (MAF).
- Bidder should have experience during the last two years in supply/installation/maintenance of UPS systems/batteries to at least one bank, financial institution, Government Department or reputed organization.

5. Terms and Conditions

- All UPS systems, batteries, racks and accessories shall be brand new, unused and of latest manufacture. The quoted make/model shall meet or exceed the tender specifications.
- The successful bidder shall complete supply, installation, testing and commissioning at all four locations within 10 days from the date of Purchase Order, or within such shorter/alternate schedule as may be specified by the Bank.
- Prices shall remain firm during the contract period. No freight, insurance, installation, travel, loading/unloading or incidental charges shall be payable over and above the quoted price. GST shall be indicated separately.
- No advance payment shall be made. Ninety percent (90%) payment will be released after successful delivery, installation, testing and commissioning at the respective locations and submission of required documents. Balance 10% shall be released against a Bank Guarantee for 10% of the contract value valid for 3 years, or after expiry of 3 years from successful installation, as

decided by the Bank.

- Delivery challans, installation/commissioning reports, warranty certificates and serial-number details shall be submitted for payment processing.
- Warranty shall be 3 years for UPS and 2 years for batteries from successful installation and commissioning. During warranty, all defects/failures shall be rectified or defective items replaced without any additional cost to the Bank.
- If the vendor fails to complete the work within the stipulated time, the Bank may impose liquidated damages / penalty at 0.5% of the delayed portion of the order value per week or part thereof, subject to a maximum of 5%, without prejudice to other remedies available to the Bank.
- The Bank may, in its interest, vary quantity/location within Andhra Pradesh, seek clarifications, negotiate where permissible, or modify/cancel the procurement without assigning any reason.
- The Bank is not bound to accept the lowest or any bid. Bids with conditional terms, incomplete documents, deviations not specifically disclosed, or pricing information in the Technical Bid are liable to rejection.
- EMD may be forfeited for bid withdrawal, refusal of Purchase Order, non-compliance or failure to execute the work. The Bank may cancel the order / initiate debarment as per applicable rules and due process.
- The bidder shall keep its offer valid for 90 days from the last date of bid submission.
- Any dispute shall be subject to the jurisdiction of competent courts at Vijayawada, Andhra Pradesh. The Bank's decision on interpretation of tender conditions shall be final, subject to applicable law.

6. Bid Submission

- Technical Bid: Submit in a sealed envelope clearly marked "Technical Bid", containing technical compliance, eligibility documents, OEM authorization, PAN/GST details, application fee/EMD proof, and no price information.
- Commercial Bid: Submit in a separate sealed envelope clearly marked "Commercial Bid", quoting item-wise basic price, GST and total landed cost.
- Both sealed envelopes shall be placed in one outer sealed cover superscribed "Revised Short Tender - 3 KVA Online UPS Systems with Batteries" and submitted on or before 17.08.2026, 03:00 p.m.
